To My Deceased Mother and Father

&

My Lovely Wife and Family Members

PREFACE

I want to thank Allah ﷻ, the almighty, for giving me the blessing and for sanctioning me with the confidence to fulfill this task. Without his extreme mercy, I would not be able to start using my pen. It's a great honor and blessing from Allah that he has provided me with this special blessing.

Peace and blessing to our beloved last prophet Muhammad ﷺ and his family members. It's great honor to be follower of the last prophet Muhammad ﷺ.

I am a second-year student of the Aalim Program in Darul Ilm Birmingham. During my first year of study, I completed the Ten Lessons of Arabic class. As a requirement of the class, I have completed all the exercises from the book. I personally thank and appreciate Ustad Mufti Imad Ali Sahib and Ustad Mawlana Ubaidur Rahman Sahib, who were the honorable ustads for that class. Both ustads helped me a lot in correcting my questions and answers to the Kitab. May Allah accept my ustads and their efforts.

I appreciate and thank Ustad Mufti Tosir Miah Sahib, the Director, and Founder of Darul Ilm Birmingham. Without his tremendous efforts and sacrifices, I could not find a space in the Alim program. I always make dua for Mufti Sahib and his madrasah.

I also personally thank and appreciate Ustad Mufti Mohammed Waleed Ahmed Sahib and Ustad Mufti Bilal Ahmed Sahib, who were the honorable ustads. They always help with duas, great advice, and understanding of various subjects. May Allah accept them.

I have started learning Arabic. Learning Arabic is a long journey. When I was a first-year student, I had a burning desire to write a kitab. After the first semester of second year break time, Allah blessed me with this generous opportunity to write my kitab. Alhamdulillah!

As a seeker of knowledge, I may have made so many mistakes and errors. I ask forgiveness from Allah ﷻ for any shortcomings, errors, and mistakes. If you find any mistakes or errors, or if you have any advice feel free to email me through publication.mohammadislam@gmail.com. In'Sha'Allah I will try to correct those in my next version.

May Allah ﷻ accept these small efforts. May Allah ﷻ forgive my family, whomever my family violated any rights. May Allah ﷻ bless Jannatul Firdaus to my family and whoever my family violated any rights. May Allah reward the reader of this kitab generously. May Allahﷻ Save all of us from the punishment of Hellfire and bless us Jannatul Firdaus (Ameen).
